

## General Information

### Introduction

In accordance with Iowa Code section 16.181, a housing trust fund ("Fund") is held within the Iowa Finance Authority (IFA). The moneys in the Fund are to be used for the development and preservation of affordable housing for low-income people in the state. The two programs operated under the Fund are the Local Housing Trust Fund Program and the Project-Based Housing Program.

### APPLICATION DEADLINE: MONDAY, OCTOBER 2, 2023, 4:30 PM

Completed applications for the Local Housing Trust Fund (LHTF) Program must be submitted to the IFA through the online application system by no later than the established application deadline. The system will not allow an application to be submitted after this date and time. In order to avoid technical delays, IFA recommends that you do not wait until the last day to submit your application. Prior to completing this application, please refer to the Allocation Plan for the Local Housing Trust Fund Program ("Allocation Plan") for the rules and definitions governing the program. The Allocation Plan, approximate amount of funding available in the round, award maximums, and program schedule can be found on the IFA web site:

[SHTF web page](#)

### Maximum Application/Award Amount Limits

The LHTF Program Award Maximums have been established based upon LHTF type and geographic service area population and are posted on the LHTF Resources web page:

[LHTF Resources web page](#)

### LHTF Certification Requirements

All applicants applying for the LHTF Program must meet the requirements of Section 2 of the Allocation Plan and be certified as a LHTF by the IFA Board of Directors prior to funding. The LHTF Certification Requirements are available on the LHTF Resources web page (see above link). The request for LHTF certification must be submitted separately from the application for funding.

### Program Guidelines and Threshold Requirements

Applicants for LHTF Program funding should refer to the Allocation Plan for all program guidelines and threshold requirements. The application must meet all criteria specified in the Allocation Plan for application and awards. Applicants must complete the application in its entirety, including all exhibits and narrative documents, and submit the application to IFA by the specified deadline. IFA staff will review the application submission to determine if threshold has been met and will make a funding recommendation to the IFA Board of Directors. All LHTF Program awards must be approved by IFA's Board of Directors.

### Application Instructions

**Section Navigation:** Navigate through the application using the links for sections on the left. Once all REQUIRED questions in a section have been completed, the section icon will turn from a red "x" to a green "check." Note that a green "check" does not verify that questions have been answered fully or correctly, only that a response has been entered, and it does not reflect whether optional questions have been completed. Applicants are responsible for verifying that all information is complete and correct.

**Printing and Saving:** Use the icons near the top of your application screen to "Print," "Save," and "Save and Exit." You may wish to save your narrative answers first in a Word document, and then copy and paste to the application when ready. This

will help avoid the possibility of being "timed-out" of the system.

Linking Additional Users to One Application: You may link a second user to your application. The second user must first create his or her own account in the system. Then the first user may log in, click on "View" in the header, and select "MyIFA Account." Then at the bottom of the screen, click on "Add New Authorized User," and enter the new user's username. Both users should now be able to access and work on the same application.

Application Submission: Before the system will allow an application to be submitted, every icon must show a green "check" at left. Any missing responses to required questions will result in a remaining red "x." Any required responses that are missing may be identified by clicking the link at the bottom left for the "Error Log." Note that the system does not validate answers; it only verifies that each question contains a response. Once submitted, the application may be viewed, but no further edits will be allowed.

That said, if funds are not drawn down by the time new funds are awarded, the CIHTF will make adjustments to ensure the remaining funds are drawn before disbursements are needed from the 2024 award.

*NOTE: Pursuant to Section 1.8.2 of the Allocation Plan for the LHTF Program (the Administrative Rules), LHTFs with multiple open grant agreements may be subject to the following remedies: (1) LHTF Program funds awarded in a subsequent fiscal year shall not be disbursed until the earliest fiscal year grant agreement has been closed out. IFA shall notify the LHTF of a declaration of ineligibility for future LHTF Program awards prior to the established application submission deadline but by no later than July 1 and may set forth certain conditions that if satisfied would restore the LHTF's eligibility for funding.*
